### Guidelines for the remuneration to senior executives (item 14)

The board proposes that the annual general meeting resolves on guidelines for remuneration to senior executives, entailing that remuneration to senior executives shall be based upon the market conditions in which the Company operates and the environment in which each of the executives works, be competitive, enable the company to recruit new executives and motivate senior executives to remain with the company.

The remuneration system will comprise the following elements; fixed salary, variable salary, pensions and benefits according to below.

Fixed salary and benefits should be established individually based on the criteria outlined above and each of the executive's individual skills.

Variable salary shall be paid upon fulfilment of clearly fixed targets for the Group. The variable salary shall be paid as a percentage of the fixed salary and shall have a fixed cap not exceeding 50 percent of the fixed salary.

The pension shall be a defined-contribution plan. The extent of the pension shall be based on the same criteria as for fixed remuneration and shall be based on the fixed and on the variable salary.

### Authorisation for the board of directors to resolve on transfer of treasury shares (item 15)

*English convenience translation of Swedish original. In case of discrepancies between the Swedish original and the English translation, the Swedish original shall prevail.*

2. Transfer may be made of maximum the number of shares held by the company at the time of the board's resolution on transfer.
3. Transfer may be made with a deviation from the shareholders' preferential rights.

Lindab's existing holding of treasury shares amounts to 2 375 838 shares, which corresponds to three (3) per cent of the total number of shares in the company.

The purpose of the authorisations above is to facilitate the financing of acquisitions by the utilisation of the company's treasury shares.

Transfer of treasury shares in accordance with the company's previously adopted incentive programs are made in accordance with the respective resolutions from the annual general meetings and do not fall within the proposed authority.

If the transfer cannot be made according to the above, the company may resolve to cancel the shares by reducing the company's share capital without payment to the shareholders.
